The Treasurer is authorised to set up and manage the Wise account, and all transactions conducted via Wise shall remain subject to Pathoplexus' existing expense approval tiers.
- On 12 May 2026, by 4/4 votes submitted, the Board voted in favour of the following resolution:
 - “The Pathoplexus Executive Board authorizes the removal of the wording relating to submitting sequences to INSDC under 'embargo' in section 3 of the Data Use Terms, and section 2 of the Data Submission and Processing document. This is removed to avoid confusion in how data is currently handled: currently this is not possible and data is held at Pathoplexus until it is made open.”
